2. Characteristic spirit and general objectives of the school

Portumna Community School Community school is a co-educational multi-denominational post-primary school under the joint trusteeship of the Bishop of Clonfert and the Chief Executive of Galway and Roscommon Education and Training Board (GRETB).

Community Schools provide a comprehensive system of post-primary education open to all the children of the local community. An innovative approach to delivery of a wide-ranging curriculum contributes to the spiritual, moral, mental, physical and social well-being of students within their community. Community Schools may also provide for life-long learning within their local community through the provision of adult education programmes.

Our school was established under the Deed of Trust and opened in 1990. The values of GRETB as a multi-denominational State Body and the inherited traditions, Christian values and founding intentions of the Bishop of Clonfert are enshrined in the characteristic spirit and in the life of our school are respected and cherished.

The core values of Portuma Community School are care, respect, community, inclusion, equality, justice and fairness. These values combine to provide and support an atmosphere which is conducive to excellence in teaching and learning. We endeavour to assist each student to reach his/ her full potential in a calm, caring and creative environment.

Our values are reflected in how we live as a school community. The unique and intrinsic value of each member of the school community is recognised and respected. All are treated equally, regardless of race, gender, religion/belief, age, family status, marital status, civil status, membership of the Traveller community, sexual orientation, ability, disability or socio-economic status. All students are given equal opportunity for enrolment, in line with the Education (Admissions to School) Act (2018) construed in accordance with section 3 of the Equal Status Act 2000. Once enrolled, Portumna Community school provides all our students with equal opportunities to engage with the curriculum, school life and the local community.

Portumna Community School provides a safe physical and social environment that

reinforces a sense of belonging to the school community and wider society. We strive to enable every student to realise their full potential regardless of any aspect of their identity, culture or background. Our school promotes a fully inclusive education which recognises the plurality of identities, beliefs and values held by students, parents and staff. We prepare open-minded and responsible citizens with a strong sense of shared values with a view to contributing to a just and fairer society.

Portumna Community School is multi-denominational where we welcome, respect and support students of all religions and beliefs. The provision of religious education, religious worship and the work of the Chaplain all combine to reflect the founding intention of the school, the school's mission statement and the needs of the students within the school. The characteristic spirit of the school finds practical expression through the provision of pastoral, liturgical and social outreach activities, as appropriate, for each student.

In Portumna Community School, we celebrate the partnership, collaboration and empathy which nurtures and develops our young people in a community where the essence of our ethos is care and respect for self, others and our environment.

17. Arrangements regarding students not attending religious instruction

Portumna Community School offers *religious education* in all year groups as it promotes the holistic development of students and can contribute positively to their wellbeing in line with the principles of the Junior Cycle and Senior Cycle Frameworks and in the spirit of the Deed of Trust. It facilitates the intellectual, social, emotional, spiritual values and moral development of students and encourages respect for all members of our school communities. In addition, *religious education* supports the 'multi-denominational' aspect of our school's ethos as it provides opportunities for students to engage with questions around their own religious or non-religious beliefs and those of their peers.

In this context it is important to understand the distinction between '*religious education*' and '*religious instruction*':

- *Religious education* is open to all pupils regardless of their commitment to any particular religion or worldview. It seeks to contribute to the spiritual and moral development of all students equally.
- *Religious instruction* is instruction in accordance with the rites, practices and teachings of a particular religion or denomination for pupils of that religious tradition.

Given that Religious Education, as distinct from Religious Instruction, is timetabled across our school at all levels the legal requirement to advise of the option to opt-out of religious instruction does not arise.
